**Mr. Buddha
Ratna Dangol**

Il welcome you to the Faculty of Management at LSS High. In today’s rapidly evolving global economy, education must go beyond textbooks—it must inspire innovation, adaptability, and real-world thinking. At LSS High, our 10+2 Management Program is designed to empower students with practical, industry-relevant skills that prepare them for both local and international opportunities.

Our mission is to develop future-ready professionals equipped with digital fluency, an entrepreneurial mindset, and a strong ethical foundation. Through experiential learning, industry linkages, and technology-driven classrooms, we aim to bridge the gap between academic knowledge and professional application.

Engagement in 21st Century Key Skill

Our Mission & Vision

At LSS High, our mission is to provide quality, value-based education that blends traditional wisdom with innovative teaching practices. Guided by our motto, "Excellence in Education" we aim to:

- Foster a holistic learning environment that encourages curiosity, creativity, and sensitivity.
- Equip students with the knowledge and skills required to thrive in a dynamic world.
- Cultivate entrepreneurial thinking and the ability to adapt to diverse career paths.
- Provide platforms for students to explore their potential and develop leadership qualities with a global perspective.

To be a center of excellence in education, committed to nurturing future-ready individuals who are knowledgeable, skilled, and socially responsible. We envision empowering young minds to think critically, act ethically, and lead confidently in a rapidly evolving global landscape.

Library

Library

The library at LSS High is a well-resourced and spacious haven for learning, exploration, and academic growth. Designed to foster a culture of reading and research, it houses a rich collection of reference books, national and international novels, academic journals, and project-based resources.

Whether students are preparing for examinations, exploring creative literature, or seeking support for research work, the library offers a quiet, supportive environment tailored to their needs. It stands as a hub of knowledge and enlightenment, encouraging students to think critically and learn independently.

ECA & CCA

At LSS High, we believe that education goes beyond textbooks. Through a wide range of Extra-Curricular Activities (ECA) like sports, music, dance, drama, art, debates, and field trips, students build confidence, explore creativity, and learn teamwork and leadership in a fun and engaging way.

Our Co-Curricular Activities (CCA) such as quiz competitions, project works, fairs, local level social work, event organizing and club participation help students sharpen their communication, time management, and critical thinking skills. These activities prepare students for real-life challenges and promote all-round personality development.

Academic Pathways (Management)

At LSS High, our Grade XI & XII programs offer diverse and future-focused curriculum options tailored to meet the evolving interests and career goals of our students. We provide specialized subjects under Management Stream, affiliated to NEB and practical learning components.

Our curriculum blends academic excellence with skill development through project work, digital integration, field-based learning, and co-curricular enrichment. With a focus on critical thinking, entrepreneurship, and real-world application, we prepare students not just for examinations—but for life beyond the classroom.

The LSS High Night fest

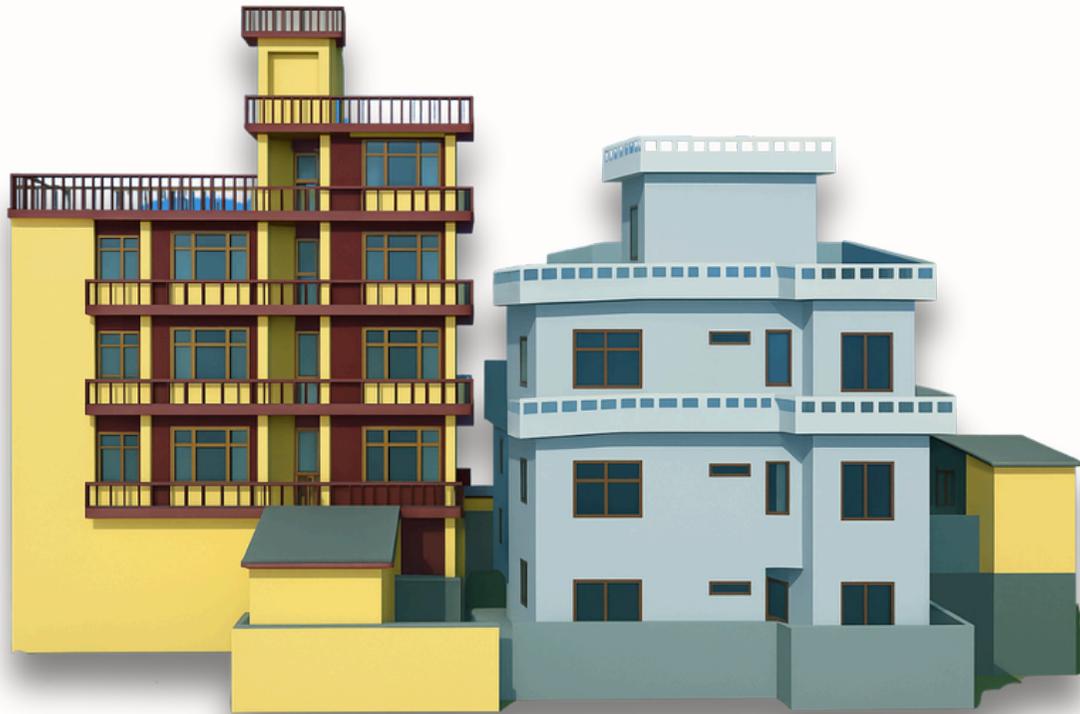

The Grand Stage – LSS Night to Remember

Every year, LSS High lights up with excitement and celebration during the much-awaited LSS Night Fest, held around Magh end to mid-Falgun. It's a night where talent meets recognition, and memories are made for a lifetime. Dressed in dazzling sarees, elegant kurthis, and sharp formal suits, our students take the spotlight in a glamorous showcase of style and spirit. From honoring top achievers with titles like Student of the Year, Mr./Ms. LSS High, Most Disciplined Student, and Best Athlete, to electrifying performances in dance, music, and drama—the stage comes alive with passion, pride, and pure entertainment.
